THE VALE

DECEMBER 2026

YOUTH FOR UNDERSTANDING
make the world your home

Welcome to The VALE Forum

This December, fifty of us will spend five days together at Gut Schöneworth, a farm estate on the Elbe west of Hamburg.

Most participants will already have been part of a VALE Course. Others will be joining The VALE for the first time. For the first time, people from different editions since 2018 will come together in one place to learn from each other and build something new.

The Forum is not a traditional training course. We provide the structure, methods and rhythm; participants bring their questions, experience and ideas.

Across five days, we will explore what value-driven leadership looks like when teams work through screens, across borders, cultures and time zones — culminating in The VALE Symposium, a public day of talks and workshops in Hamburg.

CONNECTING PEOPLE & PURPOSE

LEADING ACROSS SCREENS & BORDERS

You're running teams, projects and organisations. Often through screens, across borders and sometimes across several time zones. The VALE Forum creates space to explore that reality together.

Through Open Space sessions, participant-led workshops, reflection groups and informal conversations, fifty people will bring their own experiences, questions and challenges into the room.

The focus is not on being taught the “right” way to lead. It is on learning from people facing many of the same questions — and contributing what you have learned yourself.

The Forum Journey

Five days with 50 people from across The VALE community and youth organisations in Europe — ending with a public Symposium in Hamburg.

Our 5-Day Journey

CONNECT

Build meaningful relationships with people from different VALE generations and youth organisations across Europe.

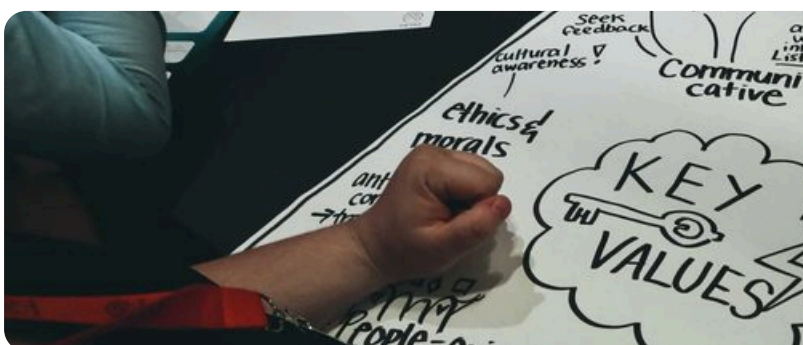

CO-CREATE

Bring your experience, questions and ideas into participant-led sessions, Open Space and reflection groups.

LEAD

Take home new perspectives, practical ideas and relationships you can draw on long after December.

“The VALE doesn’t just teach you about leadership frameworks; it forces you to look into the mirror and understand how you connect with others. It’s safe, brave, and deeply transformative.”

- The VALE Alumnus, 2026

THE VENUE

Our home for the Forum is a thatched farm estate on the Elbe, around an hour west of Hamburg. For five days, we will sleep, eat, work and spend time together across the same few buildings – creating the kind of environment where conversations continue long after a session ends.

Our main working space is the Apfelscheune, a converted apple barn of more than 120 m², alongside smaller spaces for group work and reflection.

The estate also offers quiet surroundings, shared spaces and WiFi throughout the buildings.

FUNDING & ACCESSIBILITY

The VALE Forum 2026 is financially supported by the Erasmus+ Programme.

Our goal is to make this international learning experience accessible to young leaders from across Europe while ensuring a high-quality educational environment for every participant.

TOTAL COSTS AND FINANCIAL HARDSHIP

The allocated travel budget should cover most of your costs, though you might have to pay a small fraction yourself. However, in total, we do not expect your out-of-pocket costs (Standard confirmation fee + travel) to be higher than 200€.

If your travel ends up being unexpectedly expensive or if covering 200€ is difficult for you, please reach out to us. We will try to help you find a solution as we do not want financial barriers to keep anyone from participating."

FUNDING YOUR PARTICIPATION

ERASMUS+ FUNDED SPOTS

The VALE Forum 2026 is financially supported by the Erasmus+ Programme. To be considered for an Erasmus+ funded participant spot, you must reside in one of our project partner countries at the time of the Forum.

Partner countries

Austria · Belgium · Czechia · Denmark · Estonia · Finland · France · Germany · Hungary · Latvia · Norway · Spain · Sweden · Türkiye

- **Your country of residence – not your nationality – determines your eligibility for an Erasmus+ funded spot.**

If selected for a funded spot, you will pay your chosen confirmation fee (€40 / €80 / €120). Travel costs will be reimbursed partially (see previous page).

SELF-FUNDED SPOTS

Not living in one of our partner countries? You can still apply!
